

# ENTRÉ

## FIXED MONTHLY FEE

Our Fixed Fee Service allows you to pay one monthly, budgeted amount for all our managed and support services. That means you pay one flat fee for Entré's team of 15 engineers and technicians while getting your IT managed - we will be your company's personal IT Department.

### ENTRÉ FIXED FEE SERVICE INCLUDES:

-  **Entre Remote Monitoring** - Quick Remote Access For Support and System Monitoring
-  **Entre Endpoint** - Protection From Fast-Moving Web Threats With Our Advanced Antivirus
-  **Entre Software Patch Management** - Upgrades for Software Applications Will Fix Existing Problems and Keep You Safe
-  **Entre Email Tools** - Complete Email Security Protection to Eliminate Spam, Malware and Ransom-Ware
-  **Entre Firewall** - Secure Your Network and Built-In Router Updates
-  **Entre Restore Core** - Eliminate Downtime and Know Your Data is Safe in a Secure Location
-  **Entre Offsite Data Backup** - Daily Offsite File and Database Protection for Disaster Recovery
-  **Unlimited Onsite and Remote Support** - Help is Available Whenever - and Wherever You Need It

*Fixed Fee is determined by how many computers and servers your company has. All of our Support Agreements are on a month-to-month basis - No long-term commitment means flexibility for you!*
